

Clare Duffin
Lecturer
School of Business and Creative Industries
Strategic Hub for Culture and Creativity

Overview

Clare Duffin is a lecturer and joint programme leader of the BA (Hons) Commercial Music degree at the University of the West of Scotland. Her weekly practices span over a wide range of music education and entrepreneurial operations, including roles within community music practice; social media consultation for artists; as a drummer; and as an artist manager.

Clare is currently undertaking a PhD which focuses on the concept of 'mothering and music making' in Scotland and is an member of the SWIM (Scottish Women Inventing Music) advocacy and activism group.
